Enjoy SYDNEY'S BIRDS WHILE BIRDING AT HOME

Sydney's birds are just as diverse as the millions of people that call this harbour city home. With over 300 birds and green space galore, you never go long without spotting a feathered friend in Sydney. So grab a pair of binoculars and your best walking shoes, Sydney is a city that never disappoints bird lovers. Here are a few of our favorite birds to see around town.

Share your experience of birding in Sydney by tagging us on Instagram and Facebook. We'd love to see the birds you saw.
